Professional Summary

- With 4 years of experience in software development and technical support, I've established a strong foundation in IT
- I'm proficient in RDBMS, object-oriented programming and designing RESTful web services, microservice and event-driven applications
- My expertise includes software development methodologies like MVC, algorithm design, data structures, data pipelines, unit testing and I'm also skilled in AWS cloud services, documentation, and collaboration with diverse teams
- Effectively managed competing priorities and deadlines, ensuring timely delivery of projects and meeting stakeholder expectations
- My hands-on experience in the Healthcare and ERP domains has enabled me to drive successful project outcomes
- I'm well-versed in navigating the SDLC and agile development methodologies for timely delivery of high-quality software solutions.

Work Experience

Software Engineer/ **HCL Technologies, Chennai**

MAY 2022 – PRESENT

- **Responsibilities:** Successfully analyzed, tested, and deployed complex application code enhancements, resulting in high-quality solutions that consistently met defined project scope
- Collaborated effectively with the AWS database migration team to perform database administration tasks, generating regular database reports for clients, which improved data insights and client satisfaction
- Leveraged agile development methodologies (SAFe, Scrum, ADO) and IT Service Management (ITSM) tools for incident, problem, and change management, leading to prioritizing tasks on SLA completion
- Delivered exceptional L2 production support, diagnosing and resolving issues promptly to ensure high availability and minimal downtime for critical systems
- **Team Size:** 05
- **Environment:** Java, Spring MVC & MySQL
- **Tools:** Eclipse IDE, SQL Server, Toad for Oracle, SNOW, GitHub, AWS Cloud, WinSCP, Putty, Postman, ALM, Jenkins, Tortoise SVN, MEDS, Notepad++, MS Office, JIRA & Azure client
- **Client:** Merck & Co

Junior Software Developer (Remote)/ **iCloud EMS, Pune**

SEP 2021 – FEB 2022

- **Responsibilities:** Employed sophisticated debugging methods to pinpoint and rectify intricate problems, enhancing overall performance and scalability
- Crafted effective UI and UX pagination strategies utilizing MVC architecture, prioritizing optimization in design
- Engineered functional modules centered on usability, dependability, and maintainability.
- Provided extensive assistance for both client-side and server-side components, and oversaw large-scale cloud-based database management
- **Team Size:** 15
- **Environment:** PHP, MySQL, JavaScript, HTML5, CSS3, Bootstrap, Node JS and React JS
- **Tools:** PhpMyAdmin database, Sublime and Visual Studio Code Text Editor, Chrome & FileZilla Server
- **Client:** Educational Universities

Software Engineer/ **Dr. Mehta's Hospital, Chennai**

FEB 2021 – SEP 2021

- **Responsibilities:** Worked closely with cross-functional teams to achieve efficient and impactful project deliveries
- Successfully implemented unified dashboard solutions for various modules using SQL queries
- Diagnosed and resolved technical issues, leading to improved application performance
- Delivered data analytics expertise to facilitate consistent and productive data flow across projects, driving overall project improvement
- **Team Size:** 07
- **Environments:** SQL & PL/SQL
- **Tools:** Toad for Oracle, Entity Frameworks, MS Office & Jasper Soft
- **Client:** Dr. Mehta's Healthcare

Soft Skills Set

Operating System	: Windows, Linux basic Commands & MacOS
Language	: C, C++, Java, MYSQL, PL/SQL & Python
Frameworks	: Spring Boot, Microservice, MVC architecture, Junit, Django, Express.js & Bootstrap
JEE Technologies	: Servlets, JSP, EJB & JDBC
Web Technologies	: HTML5, CSS3, PHP, JavaScript, React JS & Node JS
Databases	: MS SQL Server, Oracle, phpMyAdmin and MongoDB

Educations

Bachelor of Computer Science Engineering/ Dr. MGR University, Chennai, Tamil Nadu Scored: 69%	JUNE 2016 – 2020
Higher Secondary/ Vijayantha Model School, Chennai, Tamil Nadu Scored: 74%	JUNE 2015 – 2016
Senior Secondary/ Nabi Crescent School, Chennai, Tamil Nadu Scored: 91%	JUNE 2013 – 2014

Trainings

- Java
- Html5
- CSS3
- JavaScript
- MySQL
- MS Office
